

da Li'l Oom-Pah Band

In attempting to keep 'old-world' music alive and well in the US, da Li'l Oom-Pah Band (Petoskey , Michigan area) plays landlers, plattlers, waltzes, polkas, boarischers, and marches imported from Germany, Austria, Switzerland, and Slovenia, in the European 'blasmusi' & 'tanzlmsi' styles. Some even wear lederhosen! This 5-13 piece group has played for retirement homes and special functions in the Petoskey and Harbor Springs area, as well as educational performances in local schools, for the last 5-6 years.
